Balkons

III. deschofs.

The drawing shows a detailed architectural elevation of a building facade. It features a balcony with a decorative railing and a staircase leading up to it. The drawing is annotated with various measurements and labels, including 'Balkons' and 'III. deschofs.' The drawing is oriented vertically, with the building facade running along the right side of the page. The drawing is a technical architectural drawing, likely a plan or section of a building. It includes various lines, curves, and annotations that define the structure and its components. The drawing is oriented vertically, with the building facade running along the right side of the page.
